

# Junior Achievement®

What is the Junior Achievement experience?

- Is it a middle school student making the choice to stay in school by understanding the relevance of education to his or her future success?
- Is it a class of high school students forming a company and following through on the profit and sell of a product?
- Is it a middle-school student helping his grandparents pay their bills because he or she understands personal economics and how to balance a checking account?
- Is it a 2<sup>nd</sup> grader who realizes that the purchase of a pair of roller blades is not something they need, but something they want?
- Is it one of the 10,000 students who had the JA experience in Guilford, Alamance and Randolph counties during the 2003/2004 academic year?
- Is it one of the 300 Triad volunteers who received a great sense of fulfillment knowing that the world is a better place because they cared enough to do something about education in their community?

**Junior Achievement of Central North Carolina is all of the above...and more! Please take a step toward our kid's future success by completing and returning the pledge card below.**

-----  
**PLEDGE OF SUPPORT**
