

JA of Central NC
Volunteer Opportunity Description
Title: Classroom Consultant

Major Objectives:

- To teach and inspire young people about business, economics and free enterprise
- To teach young people how important it is to the future quality of their lives

Responsibilities:

- To enter the classroom five to ten times a semester for about 45 minutes each
- To sign in at the main office at the beginning of each session
- To notify teacher if unable to make scheduled class visit
- To help to make a difference in the life of a child.

Qualifications:

- Desire to make a difference to young people
- Complete training session

Time Commitment and Training:

- Elementary -- 5 weeks
- Middle School -- 6-8 weeks
- High School -- 8-10 weeks
- All grades require about a 45-minute session per class visit
- Attendance at training session

Benefits:

- Ability to inspire young people to set their own goals for the future
- Limited time commitment, unlimited possibility for impact
- Satisfaction of knowing you made a difference in the life of a child
